

Quality and Environmental Policy

(last reviewed Jan 2010)

Objective: to aspire to International quality and environmental standards

It is our policy to provide catering and related services in a manner which is easily accessible to our clients and that meets all relevant requirements, including:

ISO9001

ISO14001

All agreed customer requirements

All relevant legal and statutory requirements

Our measurable objectives for quality

Our measurable objectives for the environment

We conduct periodic reviews of this Policy and our objectives, in order to ensure that we continue to improve the services that we provide and the effectiveness of our system, and to ensure that we continue to improve the ways in which we prevent pollution.

This policy statement is explained to all employees of the company and is made available to the public via our website at www.hostmgt.com

Jerry Brand
Managing Director

You cannot buy quality. Quality comes from the enhancement of an individual's minimum standards placed into a teamwork capacity that automatically increases those standards to a higher, team lead attainment that in turn regularly satisfies our customers and clients.
